Please follow the author instructions in these guidelines or download at www.enter-the-past.org.

To guarantee a uniform appearance of the proceedings volume the paper is required as digital copy. The layout will be arranged by [Enter the Past].

All papers will be reviewed by the scientific committee. It is the editor's choice to accept a paper.

Attached are the *copyright form* and the *statement of originality*. Please send by mail or fax completed and signed by one contributing author minimum.

Papers are limited to five pages A4 (font size 10point, line spacing 1.5) including all illustrations (pictures, maps, tables etc.). Please send the Paper text only as .doc, .rtf or .txt. No illustrations shall be embedded.

The Paper should not be formatted but of clear structure e.g.:

Author
Affiliation
Title
Text
Endnotes
References

Use italic letters instead of bold or underline to highlight words. Please use endnotes not footnotes. References as following examples:

Mosser, M. 1998. Das Legionslager Vindobona – EDV-gestützte Erfassung alter und neuer Grabungen. FWien 1:74-78

O'Brien, S./Polovina, S. 1997. Web Design and Information Architecture. *Proceedings of the Sixth International World Wide Web Conference, Santa Clara, California, USA, April 7-11, 1997.*

The editor will do no text corrections.

The file name is one authors name and the paper ID (which can be found on our homepage "[www. enter-the-past.org](http://www.enter-the-past.org)" in the program section e.g.: *Gorjany_237.doc*)

Please send us illustrations as .jpg .tif or .eps.
